Expo

Logo design by:
Dan Zawsky, AHS student

Purpose:

- Encourage students to develop and present a project that features curriculum and technology
- Provide a public opportunity and forum for students with a keen interest/aptitude in technology
- Highlight to the community the benefits of technology in education
- Demonstrate creativity, inquiry, organizational skills, and innovation

Categories

1. Creativity and Innovation
2. Communication and Collaboration
3. Critical Thinking , Problem Solving,
and Decision Making
