

Monday Musings 2010

Showcasing ACS student projects

Please send me at least 2 examples (3-4 if you want) of student products from your school in your assigned month that indicate best practices of instructional strategies using technology. Due by the 15th of your assigned month, except Dec. (GBT, please send by Dec. 1). Please let me know if you will have any difficulty with the deadline or your assigned month. These examples can be wikis, blogs, podcasts, PowerPoint, SMART Notebook, online apps, etc. Thanks.
